Crary Bear Cat's Demo Fleet Warranty Program includes the following distributor guidelines. On the first day the machine is used for demonstration, all demo units must be registered to the distributor. A demo unit is under warranty to the distributor as long as it is in the demo fleet, a term which cannot exceed two years. If delivery date to the distributor is more than one year prior to the date unit enters the demo fleet, the warranty is expired. All units sold to customers within the demo period will be granted a six month commercial warranty or one year consumer warranty. In order for these warranties to be effective, all registrations must be changed to new owner once units are sold. Should unit be sold to customer outside of the demo period, no warranty is offered by the manufacturer.

Crary Industries, Inc. is not liable for any property damage, personal injury or death resulting from the unauthorized modification or alteration of an Crary Bear Cat product or from the owner's failure to assemble, install, maintain or operate the product in accordance with the provisions of the Owner's manual.
